

## International Baccalaureate Lab

### Overview:

Unlock the power of plant physiology with the Potometer! Dive into a captivating world where you can explore the water consumption rates of various plant variants. This easy-to-set-up prefab fits seamlessly inside the time chamber, allowing you to observe and measure the fascinating process of water uptake. Discover the secrets of plant hydration and enhance your scientific prowess with the Potometer. Get ready to cultivate knowledge and nurture your curiosity like never before!

### How to Find the Experience

Once logged in on the VXRLabs homepage, navigate to the "Subjects" tab, select the "International Baccalaureate" option from the left-side menu, then select the "IB Biology" option, then select the "Potometer" option.

### IB Course Offerings and Selection Guidance
